

THORNAPPLE VALLEY DULCIMER SOCIETY NEWS

From the President . . .

January 2012

Noteworthy information:

The Holidays are behind us now, and we are into the New Year. We celebrated in December with a potluck and a jam. Jerry and Julaine Smith decorated and brought lots of goodies for the drawings and many went home with gifts. A New Year always brings thoughts of what is important as the years pass by so quickly. I am thankful for the friendships we all have in the dulcimer club. Music brings us together. I hope everyone has a healthy new year and plays lots of music together!

In January, the tune of the month for the workshop will be Steel Guitar Rag. This is a song we play almost every month and many don't know how to play it. It has many chord patterns, and it's definitely a "memorize the pattern" type of song. Kathy Cook Will teach the tune. Bring your Golden keyboard music with you as we are going to play it in the jam.

The Charlton Park Village event went very well. We had lots of musicians and lots of listeners. We had a hard time having a break as they just kept coming in the door. Several of us snuck down to the house where the wassail and chestnuts were roasting. There was also plum pudding and we had to have some of that as well. We had lots of bell ringers and the kids played them to the sound of jingle bells.

The ODPF Funfest Membership is having the Winter meeting in Hastings at the Commission on Aging. There will be a potluck at noon, membership meeting follows, and then a good rousing jam. Details in the newsletter.

I was asked to run for Trustee of the ODPF because I belong to 3 clubs, TVDS, Uncle Carls and Silver Strings. The job of the trustee is bring input to the board from the membership. If you have suggestions or input on the Funfest that you would like shared with the Board, please call me or let me know in advance of the meeting on the 21st Jan. My phone number is on the 2nd page of the newsletter.

For the mountain dulcimer players, Stephen Seifert contacted me about coordinating a workshop day in advance of Evert off site. He is the one of the best teachers around the country in addition to being a great player. So watch for details .

Well that's the news for now. Hope to see you at the Meeting. If you have any question about the weather, call me. We will not cancel unless it is absolutely impossible to get into the parking lot!!!
